

# EDOARDO FERRARIO

## *NEI PAESI CIVILI* European Tour 2023

05.06.2023 Amsterdam Boom Chicago  
07.06.2023 London The Comedy Store  
09.06.2023 Paris Apollo Theatre  
11.06.2023 Berlin Babylon  
12.06.2023 Bruxelles Tricoterie

After the sold out tour in Belpaese, Edoardo Ferrario moves to European countries with far better welfare policies. A stand up comedy show in which Edoardo faces all his recent issues: old fashioned Italian catholic weddings and not too inclusive sermons, his problematic relationship with a chinese hardware store, men's inability to share intimacies, the rise of patriarchy in the Neanderthal era and a couple of awful things that his dog convinced him to do. Warning: attending the show may cause a generic sense of nostalgia for the spaghetino a Fregene.
